

HAIR REPAIR TIPS

Super Hair Repair

Ingredients:

Super Hair Repair

All-Nutrient Hydrating shampoo Magnesium (Epsom salts) All-Nutrient Proteinizer All-Nutrient Oil

All-Nutrient Protein Complex

Super Hair Repair

1. In an applicator bottle: Mix 4 oz Proteinizer with 1tbs Magnesium (Epsom Salts). Shake to dissolve Magnesium. Shampoo: With All-Nutrient Hydrating Shampoo.

Gently Towel Dry

Saturate hair with Proteinizer and Magnesium.

Dry (completely) under a warm dryer.

Rinse and gently towel dry.

In the palm of your hand Blend All-Nutrient Protein Complex and All-Nutrient Oil. Apply to hair. Place under warm dryer. 5 minutes.

Rinse and gently towel dry.

Note:

For severely damaged hair a second and third application of All-Nutrient Protein Complex and All-Nutrient Oil may be necessary
